LINGA- Release Notes - 2.1.25-1.1

Enhancement:

In Back Office/IPAD,

- 1) Membership Price Level settings.
 - Individual price levels should set for each type of membership.
 - Role restriction should be provided for the user to access the membership.
Supporting Document: Linga- Price Level for Membership type.
- 2) Enhancement in compare inventory Report.
 - User can generate the compare inventory report based on the business date.
- 3) Instant Cash reward.
 - The cancel button is removed from the instant cash reward creation screen.
- 4) Tip out sharing between employees - Phase 1.
Supporting Document: Linga -Tip out sharing between employees
- 5) Clover EBT
Supporting Document: Linga - Clover EBT
