Linga Release Note

ENHANCEMENT

Back Office

- **Loyalty Point Import on Customer**
 - Reference Document: Linga-Loyalty Point Import
- **Auto Email for Sales Recap and One Page PDF after close day**

Email will be triggered at the end of the day. Email will be triggered for both Manual and Auto close. The report attached will be for the last business date.

Page Navigation: Settings -> Store -> Mailer Settings

Settings: The user can select for which report he need the auto Mail and can add multiple email id for each report individually.

- **Restrict Expired Account when login through dealer admin page**

The Dealer can access the login credentials of the account only for Active Accounts. Cancelled, Expired, Trail Expired accounts login will be blocked for Dealers Log in.

- **Item category service charge added in Sale Recap Reports**

Item Category service charge will be displayed in a separate column in Sale Recap Report

BUG FIX

- 50951 - CashDrawer Issue save issue notification setting
- Tip amount added in cash expected in salerecap.
- Application shows dollar symbol by default in BO-->Enterprise report-->Graph(LIN-10335 & #45815)
- 51107(Inventory items export issue-Burn By Rocky Patel).
